7th Annual RGS Associates Golf Classic

Sponsorship Opportunities

The 7th Annual RGS Associates Golf Classic will be held on August 21, 2008 at Overlook Golf Course. Since 2000, through many fundraising efforts & your help, we have raised over \$55,600 for the American Cancer Society. This year we will be helping 2 great causes: American Cancer Society & Daniel's Den Playground.

We all know the great job that the American Cancer Society does in their tireless fight against cancer. Daniel's Den Playground is a total-accessibility playground being built in the Mountville area. It will be a playground where families of different ages and children of ALL abilities can play together in one common area. Daniel's Den Playground will be filled with fun, creative playground equipment that will foster learning through imaginative play. Physical limitations will not be barriers to fun at Daniel's Den.

We will be joined this year by former PGA Tour member and Trick Shot artist, Ben Witter. Ben turned professional in 1986 following an amazing junior, high school, and collegiate golf career during which time he had a dream of playing on the PGA Tour. That dream was altered by a diagnosis of a rare form of salivary gland cancer in 1988. Instead of giving up on the game completely, Ben redirected his passion for the game toward teaching and learning about the golf swing and its relationship to the human body. His mastery of the physical form of the golf swing has enabled him to become one of the best and most highly sought after trick shot artists in the world today. His amazing Power Golf Trick Shot Show is a combination of instructional subject matter, mind boggling balance, uncanny eye hand coordination, and feats of athletic agility unmatched in the world of golf by even the most gifted players on tour.

On the back of this form is a list of sponsorship opportunities for the event that we need help with. If you are interested in supporting this cause, please contact Jason Stevens or Joel Snyder at (717) 656-4077 or you can email Jason at jstevens@rgsassociates.com.
